

# Electric Yellow

Same yellow, pink and green on an electric blue-to-violet-to-magenta background, with solid light-tint cards (lavender, light yellow, light pink, light green) and a black nav to anchor it. The loudest, most energetic of the set.

# Electric Yellow, dark

The same option at night: a deep indigo-to-plum gradient, solid deep-indigo cards, and the yellow, pink and green tiles kept bright so they still pop.
